GENERAL EXCEPTIONS, CONDITIONS, PROVISIONS AND EXTENSIONS

Subject to the terms, exceptions and conditions (precedent or otherwise) and in consideration of, and conditional upon, the prior payment of the premium by or on behalf of the insured and receipt thereof by or on behalf of the company, the company specified in the schedule agrees to indemnify or compensate the insured by payment or, at the option of the company, by replacement, reinstatement or repair in respect of the defined events occurring during the period of insurance and as otherwise provided under the within sections up to the sums insured, limits of indemnity compensation and other amounts specified.

Where more than one insurance company or insurer participates in this insurance, the expression “company” shall be amended to “insurers” wherever it appears in this policy. In this event the percentage share of each insurer will be as expressed in the schedule of this policy and the liability of each such insurer individually shall be limited to the percentage share set against its name.

Specific exceptions, conditions and provisions shall override general exceptions, conditions and provisions.

General exceptions

1. War, Riot and Terrorism

- (A) This policy does not cover loss of or damage to property related to or caused by:
- (i) civil commotion, labour disturbances, riot, strike, lockout or public disorder or any act or activity which is calculated or directed to bring about any of the foregoing,

 - (b) insurrection, rebellion or revolution;
 - (iv) any act (whether on behalf of any organisation, body or person or group of persons) calculated or directed to overthrow or influence any State or Government or any provincial, local or tribal authority with force or by means of fear, terrorism (as defined under (C) or violence;
 - (v) any act which is calculated or directed to bring about loss or damage in order to further any political aim, objective or cause, or to bring about any social or economic change, or in protest against any State or Government or any provincial, local or tribal authority, or for the purpose of inspiring fear in the public or any section thereof;
 - (vi) any attempt to perform any act referred to in clause (iv) or (v) above;
 - (vii) the act of any lawfully established authority in controlling, preventing, suppressing or in any other way dealing with any occurrence referred to in clause A (i), (ii), (iii), (iv), (v) or (vi) above.

If the company alleges that, by reason of clause A (i), (ii), (iii), (iv), (v), (vi) or (vii) of this exception, loss or damage is not covered by this policy, the burden of proving the contrary shall rest on the insured.

- (B) This policy does not cover loss or damage caused directly or indirectly by or through or in consequence of any occurrence for which a fund has been established in terms of the War Damage Insurance and Compensation Act, 1976 (No.85 of 1976) or any similar Act operative in any of the territories to which this policy applies.
- (C) Notwithstanding any provision of this policy including any exclusion, exception or extension or other provision not included herein which would otherwise override a general exception, this policy does not cover loss of or damage to property or expense of whatsoever nature directly or indirectly caused by, arising out of or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any sequence to the loss, damage or expense.

For the purpose of this General exception 1(C) an act of terrorism includes, without limitation, the use of violence or force or the threat thereof whether as an act harmful to human life or not, by any person or group of persons, whether acting alone or on behalf of or in connection with any organisation or government or any other person or body of persons, committed for political, religious, personal or ideological reasons or purposes including any act committed with the intention to influence any government or for the purpose of inspiring fear in the public or any section thereof.

If the company alleges that, by reason of clause 1(C) of this exception, loss or damage is not covered by this policy, the burden of proving the contrary shall rest on the insured.

If the media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank Data Processing Media (however, this Policy does not cover any amount pertaining

to the value of Data to the Insured or any other party, even if such Data cannot be recreated, gathered or assembled);

where such physical loss and/or physical damage is directly occasioned by otherwise covered perils under this Policy and not otherwise excluded under this Policy.

Meaning of words:

1. **"Computer System"** means any computer, hardware, software communications system, electronic device, (including but not limited to, smart phone, laptop, tablet, wearable device), server, cloud or microcontroller including any similar system or any configuration of the aforementioned and including any associated input, output or data storage device, networking equipment or back up facility.
2. **"Data"** means information facts, concepts, code or any other information of any kind that is recorded or transmitted in a form to be used, accessed, processed, transmitted or stored by a Computer System.
3. **"Time Element Loss"** means business interruption, contingent business interruption or any other consequential losses.
4. **"Data Processing Media"** means any property insured by this insurance agreement on which Data can be stored but not the Data itself.

6. Damage or loss caused directly or indirectly by infectious or contagious disease

Notwithstanding any specific provision of a specific section of this policy including any exclusion, exception, insured peril, extension or other provision not mentioned herein which specifically overrides a general exclusion, this policy does not cover death, injury, sickness, loss, damage/s (physical or financial), cost or expense of any type whatsoever, legal liability, or any consequential loss directly or indirectly caused by, arising out of, resulting from or in consequence of:

1. any infectious or contagious disease (of whatsoever nature or cause);
 2. any indication, fears or threat of a possible infectious or contagious disease (of whatsoever nature or cause);
- irrespective:
- i) of where in the world such disease may exist or be feared to exist;
 - ii) of whether or not a declaration by a local, regional, international or governmental authority including but not limited to the President of South Africa that an infectious or contagious disease exists locally or in any area or nationally or constitutes or has given rise to a national state of disaster or emergency.

7. Non-physical damage Business Interruption and Contingent Business Interruption exclusion

Notwithstanding any specific provision of a specific section of this policy including any exclusion, condition, exception, insured peril, extension or other provision not mentioned herein which specifically overrides a general exclusion, this policy does not cover any loss, damage/s (physical or financial), cost or expense of any type whatsoever, legal liability, or any consequential loss directly or indirectly caused by, arising out of, resulting from or in consequence of any Business Interruption or Contingent Business Interruption cover unless as a result of physical damage as per the Defined Events stated under the Business Interruption Section of this policy.

All sections and extensions that provide for such loss, damage/s, costs or expenses are hereby deleted in their entirety.

8. Electricity Grid Failure exclusion

Notwithstanding any provision of any section of this Policy including any Exclusion, Condition, Exception, Insured Peril, Extension or other provision not mentioned herein, this Policy does not cover any loss, damage/s (physical or financial), cost or expense of any type whatsoever, legal liability, or any consequential loss directly or indirectly caused by, attributable to, arising out of, resulting from, following or in any way in consequence of or in connection with any Electricity Grid Failure (as defined below).

Electricity Grid Failure is an interruption to or suspension of electricity supply, in any manner, from whatsoever source, and for any reason (including damage and any inability and/or failure on the part of the supplier) which affects an entire municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time, including any interruption, power surge or suspension at the reconnection or reinstatement of electricity supply.

This exclusion also applies to consequential losses in respect of any public utilities that are affected by Electricity Grid Failure including, but not limited to, the disruption of water, telecommunications and sewage systems as well as the deterioration of stock, food or other items.

This exclusion does not apply to Loadshedding (defined below) which remains covered subject to the remaining terms and conditions set out in the policy.

Loadshedding is the intentional, total or partial, withholding of electricity supply (from any source) by any party other than the insured implemented in phases which do not affect a municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time.

The theft covers of the policy have security requirements, such as alarm systems. It must be noted that there is no cover in place if these requirements are not met in any way, whether directly or indirectly due to Electricity Grid Failure. The Provision in the alarm warranty that states "cover will continue to be applicable whilst the alarm system is not operative due to a failure of the public supply of electricity at the terminal ends of the supply authority's service feeders and that such failure is not due to any act or omission of the Insured." is deleted should such unavailability of electricity be as a result of Electricity Grid Failure.

General Conditions

1. Misrepresentation, misdescription and non-disclosure

Misrepresentation, misdescription or non-disclosure in any material particular shall render voidable the particular item, section or sub-section of the policy, as the case may be, affected by such misrepresentation, misdescription or non-disclosure.

2. Other insurance

If, at the time of any event giving rise to a claim under this policy, an insurance exists with any other insurers covering the insured against the defined events, the company shall be liable to make good only a rateable proportion of the amount payable by or to the insured in respect of such event. If any such other insurance is subject to any condition of average, this policy, if not already subject to any condition of average, shall be subject to average in like manner.

3. Cancellation

3.1 Notice

This Policy, Policy Section or item may be cancelled at any time by:

- 3.1.1 the Company giving 31 (thirty one) days' notice in writing (or such other period as may be mutually agreed); or
- 3.1.2 the Insured giving immediate notice.

3.2 Pro-rata premiums

On cancellation by the Insured, the Company shall be entitled to retain the customary short period or minimum premium for the period the Policy, Policy Section or item has been in force. On cancellation by the Company, the Insured shall be entitled to claim a pro-rata proportion of the premium for the remainder of the period of insurance from the date of cancellation, subject to General Condition 3.

3.3 Premium refund

The Company will not refund the Insured upon cancellation of the Policy, Policy Section or item for the remainder of the period of insurance up to renewal if the maximum amount stated in the Schedule for such property or Section is settled in terms of a claim.

This General Condition shall apply whether the Insured gave instruction for cancellation or the Company, for whatever reason.

4. Adjustment of premium

If the premium for any section of this policy has been calculated on any estimated figures, the insured shall, after the expiry of each period of insurance, furnish the company with such particulars and information as the company may require for the purpose of recalculation of the premium for such period. Any difference shall be paid by or to the insured as the case may be.

5. Prevention of loss

The Insured shall take all reasonable steps and precautions to prevent accidents or losses, including but not limited to, compliance and adherence to laws and regulations which are material to the risk. The Insured warrants that all laws, regulations, by-laws and rules that apply to the business or any other matter for which cover is provided in terms of this Policy (irrespective of whether the laws, regulations, by-laws and rules are in force at the date this Policy is issued, or are enacted after that date) shall be adhered to at all times. The failure to adhere to any applicable law, regulation, by-law or rule shall entitle the insurer to reject any claim where such failure is material to the claim.

6. Claims

The insurance by each Section of this Policy is extended to include costs reasonably incurred by the Insured in producing and certifying any particulars or details required by the Company in terms of General Condition 6 Claims or to substantiate the amount of any claim;

PROVIDED THAT:

the liability of the Company for such costs shall not exceed R250 000 (two hundred and fifty thousand rand) for each and every occurrence.

Additional cover may be purchased per Section in which case the limit stated in the Schedule will be over and above the automatic cover provided under this Provision

6.1 Notice

The Insured shall on the happening of any event which may result in a claim under this Policy, at their own expense:

- 6.1.1 give notice thereof to the Company as soon as reasonably possible and provide particulars of any other insurance covering such events as are hereby insured;
- 6.1.2 shall as soon as practicable after the event or such further time as the Company may in writing allow, submit to the Company a claim in writing and give the Company such proof, information and sworn declarations as the Company may reasonably require;
- 6.1.3 shall immediately after the event inform the Police of any claim involving criminal behaviour or (if required by the Company) loss of property and take all practical steps to discover the guilty party and to recover the stolen or lost property;
- 6.1.4 shall preserve all property following a loss.

6.2 Unlawful use, theft, loss or malicious damage to property

In the event of any claim involving unlawful use of a motor vehicle or any theft or loss or malicious damage to property, the Insured or the person in whose control or under whose custody such articles are, shall immediately report the occurrence to the Police in the area where the loss has occurred and take all possible steps to trace the guilty party and to recover the stolen or lost property.

6.3 Injuries

In respect of any claim for personal injury under this Policy where such cover is granted all certifications, information and evidence required by the Company shall be furnished at the expense of the Insured and an injured person shall as often as required by the Company submit to medical examination at the Company's expense. The Company shall in the case of death be entitled to have a post mortem examination carried out.

6.4 Legal processes

The Insured shall immediately advise the Company of any impending prosecution or inquest and forward any notice of claim or any communication, writ, criminal and/or civil summons and/or other legal process issued or commenced against the Insured in connection with the event giving rise to the claim.

6.5 No admission of liability

The Insured shall not incur any expense (except as specifically provided for in this Policy) in making good any damage without the written consent of the Company, and shall not negotiate, pay, settle, admit or repudiate any claim or accept liability without such consent and may under no circumstances whatsoever consent to the jurisdiction of any court without prior written permission from the Company.

6.6 Limitation of liability

The Company shall not be liable under more than one Section or Extension (optional or otherwise) of this Policy in respect of liability, loss or damage arising from the same happening in respect of the same liability, loss or damage except where cover is granted for Personal Accident, Stated Benefits or Group Personal Accident Benefits.

6.7 Prescription period

6.7.1 Expiry of claim

No claim shall be payable after expiry of 24 (twenty four) months or such further time as the Company may allow from the happening of any event unless the claim is the subject of pending legal action or is a claim in respect of the Insured's legal liability to a third party;

PROVIDED THAT:

this Condition shall not apply to claims under Sections (if applicable):

1. Business Interruption;
2. Fidelity Guarantee;
3. Group Personal Accident including Personal Accident (assault) under Money.

6.7.2 Rejections

No claim shall be payable unless the Insured claims payment by serving written notice to the Company within 90 (ninety) days of the rejection. Should the rejection still not be resolved, the Insured will have an additional 180 (one hundred and eighty) days to pursue such legal proceedings to finality.

6.8 Recovery

- 6.8.1 If, after payment of the claim in respect of lost or stolen property, such property is located or recovered, the Insured shall render all assistance in the identification and in the physical recovery of such property.
- 6.8.2 The Company shall pay for the reasonable cost in identifying such property.
- 6.8.3 Failure to assist the Company in the recovery of the said property, the Insured shall become legally liable to repay the Company all payments and expenses in respect of the claim.
- 6.8.4 If the property was successfully recovered the Company will be the rightful owner of the property.
- 6.8.5 If the Company replaces or reinstates such vehicle the Company shall have the option to take ownership of the vehicle.

7. Company's rights after an event

This General Condition applies to both the recovery of the Insured's claim settlement as well as the defence of a claim brought against the Insured.

1. On the happening of any event in respect of which a claim is or may be made under this Policy, the Company and every person authorised by them may, without thereby incurring any liability and without diminishing the right of the Company to rely upon any Conditions of this Policy:
 - 1.1 take, enter or keep possession of any damaged property and deal with it in any reasonable manner. This General Condition shall be evidence of the leave and licence of the Insured to the Company to do so. The Insured shall not be entitled to abandon any property to the Company, whether taken possession of by the Company or not;
 - 1.2 take over and conduct in the name of the Insured the defence or settlement of any claim and prosecute in the name of the Insured for their own benefit any claim for indemnity or damages or otherwise and shall have full discretion in the conduct of any proceedings and in the settlement

of any claim. No admission, statement, offer, promise, payment or indemnity shall be made by the Insured without the written consent of the Company.

2. The Insured shall promptly, at the expense of the Company, do and permit to be done all such things as may be necessary or reasonably required by the Company for the purpose of enforcing any rights to which the Company shall be, or would become, subrogated upon indemnification of the Insured, whether such things shall be required before or after such indemnification.
3. In respect of any Section of this Policy under which an indemnity is provided for liability to third parties, the Company may, upon the happening of any event, pay to the Insured the limit of indemnity provided in respect of such event or any lesser sum for which the claim or claims arising from such event can be settled and the Company shall thereafter not be under further liability in respect of such event.
4. The Insured agrees that the Company's common law rights to recover any payments made to the Insured still apply and can be enforced despite any term of this Policy or any acts of the parties.
5. The Insured's duty to disclose material facts to the Company as a condition of the Policy continues at all times before, during and after the settlement of the Insured's claim and will stay in place until the finalisation of any recovery or defence carried out by the Company.
6. The Company will settle all the attorney's invoices and will therefore have the right to select the legal representatives and have full authority over conducting, managing, and settling any proceedings brought in the Insured's name.
7. The Company will have full control over legal proceedings, and the Insured will not be able to withdraw, settle, or compromise the claim, or cede their rights in the claim, without the prior written consent of the Company to do so. If the loss comprises both insured and uninsured losses, the Insured may choose to participate in the recovery process for their uninsured losses, but only on terms agreed with the Company.
8. The Insured agrees:
 - 8.1 not to prejudice, delay, hinder, or interfere with the Company's contractual or common law rights of subrogation;
 - 8.2 that they will not institute separate proceedings against a third party for any loss, whether insured or uninsured;
 - 8.3 to sign any document required for the recovery of defence and make themselves available to assist the Company and their legal representatives in bringing the recovery action or defending the Insured's claim.

Consent to such proceedings is provided by the Insured, and the Insured agrees not to withhold or withdraw such consent whilst recovery or defence is being pursued. This consent is binding and without conditions. In the event that the Insured fails to comply with any obligation under this Condition and to the extent that such non-compliance materially prejudices the Company's recovery or defence, the Company shall be entitled, to the extent of such prejudice, to withhold, reduce or recover any claim payment, benefit, cost or expense paid or incurred under this Policy.

8. Fraud

If any claim under this policy is in any respect fraudulent or if any fraudulent means or devices are used by the insured or anyone acting on their behalf or with their knowledge or consent to obtain any benefit under this policy or if any event is occasioned by the wilful act or with the connivance of the insured, the benefit afforded under this policy in respect of any such claim shall be forfeited.

9. Reinstatement of cover after loss (not applicable to stock on a declaration basis nor to any section where it is stated to be not applicable)

In consideration of sums insured not being reduced where appropriate by the amount of any loss, the insured shall pay additional premium on the amount of the loss from the date thereof or from the date of reinstatement or replacement (whichever is the later) to expiry of the period of insurance.

10. Breach of conditions

The conditions of this policy and sections thereof shall apply individually to each of the risks insured and not collectively to them so that any breach shall render voidable the section only in respect of the risk to which the breach applies.

11. No rights to other persons

Unless otherwise provided, nothing in this policy shall give any rights to any person other than the insured. Any extension providing indemnity to any person other than the insured shall not give any rights of claim to such person, the intention being that the insured shall claim on behalf of such person. The receipt of the insured shall in every case be a full discharge to the company.

12. Collective insurances

If this insurance is a collective insurance then the following amendment is made to general condition 6(a) (iv) above.

“give the leading insurer on behalf of the insurers such proofs, information and sworn declaration as the insurers may require and forward to the leading insurer immediately any notice of claim or any communication, writ, summons or other legal process issued or commenced against the insured in connection with the event giving rise to the claim.”

and General condition 7 is substituted by the following:

“7. Company’s rights after an event

- (a) On the happening of any event in respect of which a claim is or may be made under this policy the leading insurer and every person authorised by them may, without thereby incurring any liability and without diminishing the right of the insurers to rely upon any conditions of this policy,
 - (i) take, enter or keep possession of any damaged property and deal with it in any reasonable manner. This condition shall be evidence of the leave and licence of the insured to the lead insurer on behalf of all insurers to do so. The insured shall not be entitled to abandon any property to the insurers whether taken possession of by the leading insurer or not
 - (ii) take over and conduct in the name of the insured the defence or settlement of any claim and prosecute in the name of the insured for their own benefit any claim for indemnity or damages or otherwise and shall have full discretion in the conduct of any proceedings and in the settlement of any claim. No admission, statement, offer, promise, payment or indemnity shall be made by the insured without the written consent of the leading insurer.
- (b) The insured shall, at the expense of the insurers, do and permit to be done all such things as may be necessary or reasonably required by the insurers for the purpose of enforcing any rights to which the insurers shall be or would become subrogated upon indemnification of the insured whether such things shall be required before or after such indemnification.
- (c) In respect of any section of this policy under which an indemnity is provided for liability to third parties, the insurers may, in the case of any event, pay to the insured the limit of indemnity provided in respect of such event or any lesser sum for which the claim or claims arising from such event can be settled and the insurers shall thereafter not be under further liability in respect of such event.”

13. Deliberate or fraudulent acts in making a claim

All benefits afforded in terms of this Policy in respect of any claim shall be forfeited and this Policy may be voided or cancelled at the Company’s discretion from the date of any fraudulent conduct:

- 13.1 if any claim or part thereof under this Policy is in any way fraudulent or if fraudulent means or devices are used by the Insured or anyone acting on the Insured’s behalf to obtain any benefit under this Policy, or if any Insured event under this Policy is occasioned by the Insured’s intentional conduct or that of any person acting on the Insured’s behalf or with the Insured’s connivance; or

- 13.2 if any fraudulent information and/or document, whether created by the Insured or any other party is provided to the Company by the Insured or anyone acting on the Insured's behalf or with the Insured's connivance in substantiation or support of any claim under this Policy and whether or not the claim in itself is fraudulent; or
- 13.3 if the quantum of any claim is deliberately exaggerated by the Insured or anyone acting on the Insured's behalf or with the Insured's connivance, for any reason whatsoever, and whether or not the claim in itself is fraudulent.

Where any benefit under this Policy is forfeited in circumstances set out in this General Condition, the Insured shall repay to the Company all amounts which the Company may have previously settled in respect of all claims forfeited without prejudice to the Company's right to recover any other damages which the Company may have suffered as a result of the fraudulent conduct.

14. Value Added Tax (VAT)

14.1 Definition

VAT shall mean the amount of Value Added Tax payable by the Insured or the Company to the revenue authorities in the Republic of South Africa.

14.2 Value Added Tax (VAT) inclusive condition

It is understood and agreed that the monetary amounts as reflected in the sums insured and/or limits of indemnity shall be applied to the indemnity or amounts payable in terms of this Policy and to which sums the Terms, Conditions, Provisions and Limitations of this Policy shall apply, and VAT at the current rate as promulgated in legislation relating thereto.

Subject to such sums/limits of indemnity being adequate to embrace the amounts described under 13.1 and 13.2 above, the Company will, to the extent that the Insured is accountable to the tax authorities for value-added tax in respect of any payment in terms of this Policy, include the amount of such tax in the final settlement of any claim in terms of this Policy;

PROVIDED THAT:

the total amount payable for any Defined Event and the VAT related thereto shall not exceed the sum insured/limit of indemnity set against such Defined Event.

In circumstances referred to herein under which the Insured is required to bear the first amount of any loss (excess), such amount shall also be inclusive of VAT in like manner to the sum insured/limit of indemnity referred to above.

4. The insured shall exercise all reasonable care in the selection of employment and supervision of all employees and in the prevention of any loss or damage and in compliance with any statutory regulations and manufacturer's recommendations. The stipulations of this specific condition 4 are applicable in addition to the stipulations of general condition 5 of this policy.

The insured shall at his own expense also produce and furnish to the company such books of account and other business books, documents, proofs, information, explanation and other evidence as may be reasonably required by the company for the purpose of investigating or verifying the claim, together with (if required) a statutory declaration regarding the truth of the claim and of any matters connected with the claim.

If at the time of any accident resulting in a loss insured against under this section there be any other Insurance effected by or on behalf of the insured covering the same loss or any part thereof the company shall not be liable to pay or contribute more than its rateable proportion of any sum payable in respect of the whole of such loss. Provided that the company shall not be liable to pay for or contribute to any loss that is insured by or would but for the existence of this section be insured by any business interruption or loss of profits or consequential loss policy or policies covering marine risks or fire and/or explosion risks.
9. The total amount of the indemnity that is provided under this section shall be payable two weeks after the final determination of such amount. If after the expiry of one month since the beginning of an interruption of or interference with the business and after the expiry of each further month it is possible to determine the minimum amount that the company is liable to pay in respect of the then elapsed period of the aforesaid interruption or interference the insured shall be entitled to demand that the aforesaid minimum amount be paid to the insured as an installment in respect of the total amount of the indemnity that is provided under this section.

Provided that:

11. On the happening of any occurrence in respect of which a claim is or may be made under this section the company and every person authorised by the company (without thereby incurring any liability and without diminishing the right of the company to rely upon any other conditions of this policy) enter any building where the loss has happened and may take possession of or require that any of the machinery and plant be surrendered to them and may keep possession of and deal with such machinery and plant for all reasonable purposes and in any reasonable manner. This condition shall be evidence of the leave and license of the insured to the company so to do. If the insured or anyone acting on his behalf does not comply with the requirements of the company or hinders or obstructs the company during the aforementioned acts, then all benefit under this section shall be forfeited.

Definitions

Annual turnover	the turnover that but for the accident the insured would have been able to obtain during the 12 month period immediately before either the date when the business is no longer affected or when the indemnity period ends, whichever occurs first.
Gross profit	the insurance under item 1 of this section is limited to loss of gross profit due to 1. reduction in turnover and 2. Increase in cost of working and the amount payable as indemnity thereunder shall be: 1. in respect of reduction in turnover: The sum produced by applying the rate of gross profit to the amount by which the turnover during the indemnity period shall in consequence of the accident fall short of the standard turnover; 2. in respect of increase in cost of working: The additional expenditure necessarily and reasonable incurred for the sole purpose of avoiding or diminishing the reduction in turnover that but for that expenditure would have taken place during the indemnity period in consequence of the accident, but not exceeding the sum produced by applying the rate of gross profit to the amount of the reduction thereby avoided, less any sum saved during the indemnity period in respect of such of the charges and expenses of the business payable out of gross profit as may cease or be reduced in consequence of the accident, provided that the amount payable shall be proportionately reduced if the sum insured in respect of item 1 of this section be less than the sum produced by applying the rate of gross profit to the annual turnover. For the purposes of the insurance under item 1 of this section the expression “gross profit” used in this section shall mean the amount by which: 1. the sum of the value of the turnover and the value of the closing stock shall exceed 2. the sum of the value of the opening stock and the amount of the specified working expenses.
Indemnity period	the period, not exceeding the indemnity period stated in the column under the heading “Indemnity period limit” of the list under the heading “List of machinery and plant” in the schedule of this section, commencing with the occurrence of the accident during which the results of the business shall be affected in consequence of such accident, provided always that the company shall not be liable for the amount of the loss arising during the time excess, such time excess to commence as from the beginning of the interruption of or interference with the business resulting in a claim under this section.
Rate of gross profit	the rate of gross profit earned on the turnover during the financial year immediately before the date of the accident, to which such adjustments shall be made as may be necessary to provide for the trend of the business and of variations in or special circumstances affecting the business either before or after the accident or that would have affected the business had the accident not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the results that would but for the accident have been obtained during the relative period after the accident.
Specified working expenses	those variable expenses of the business that are specified under the heading “Specified working expenses” in the schedule of this section.
Standard turnover	the turnover during that period in the twelve months immediately before the date of the accident that corresponds to the indemnity period to which such adjustments shall be made as may be necessary to provide for the trend of the business and for variations in or special circumstances affecting the business either before or after the accident or that would have affected the business had the accident not occurred so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result that but for the accident would have been obtained during the relative period after the accident.
Stock	the values of the opening and closing stocks shall be arrived at in accordance with the insured’s normal accountancy methods, due provision being made for depreciation.

Time excess	the period stated in the column under the heading “Time excess” of the list under the heading “List of machinery and plant” in the schedule of this section.
Turnover	the money (less discounts allowed) paid or payable to the insured for goods sold and delivered and for services rendered in the course of the business at the premises.

Other Premises

If during the indemnity period goods shall be sold or services shall be rendered elsewhere than at the premises for the benefit of the business either by the insured or by others on his behalf the money paid or payable in respect of such sales or services shall be brought into account in arriving at the turnover during the indemnity period.

Extensions and clauses

1. Accountant/Auditor

Any particulars or details contained in the Insured's books of account or other business books or documents which may be required by the Company under this Section, for the purpose of investigating or verifying any claims under this insurance may be produced and certified by the Insured's own accountants and/or auditors and their certificate will be prima facie evidence of the particulars and details to which such certificate relates.

2. Accumulation of stocks

In adjusting any loss, account will be taken and an equitable allowance made, if any shortage in turnover due to the accident is postponed by reason of the turnover being temporarily maintained from accumulated stocks.

3. Benefits after recommissioning

If during a period of 6 months immediately following the recommissioning of the machinery and plant after an accident the insured derives benefit from deferred sales or from increased production and/or profits as a consequence of an interruption of or interference with the business, such benefits shall be taken into account in determining the amount payable as indemnity under this section.

4. Departments/Branches

If the business is conducted in departments/branches the independent trading results of which are ascertainable the Provisions of items 1 and 2 above will apply separately to each department/branch whose results are affected by the accident;

PROVIDED THAT:

if the respective sums insured are less than the aggregate of the sums produced by applying the rate of Gross profit or Revenue for each department/branch of the business (whether its results are affected by the accident or not) to the relative annual turnover thereof (proportionately increased where the indemnity period exceeds 12 (twelve) months) the amount payable will be proportionately reduced.

5. Deposit premium

In consideration of the premium for items 1 and/or 2 being provisional because they are calculated on 75% (seventy five percent) of the sum(s) insured thereby, the premium is subject to adjustment on expiry of each period of insurance as follows:

If the Gross profit or Revenue earned (proportionately increased if the indemnity period exceeds 12 (twelve) months) during the financial year most nearly concurrent with any period of insurance is less or greater than 75% (seventy five percent) of the sum insured thereon, a pro-rata return or additional premium not exceeding 33.3% (thirty three and one third percent) of the provisional premium paid for such period of insurance will be made for the difference.

6. New business

For the purpose of assessing any loss sustained as the result of an accident occurring before the completion of the first year's trading the terms 'rate of gross profit', 'annual turnover', 'standard turnover', 'annual revenue' and 'standard revenue' shall bear the following meanings:

1. Annual revenue

The average revenue earned during the 3 (three) months immediately before the date of the accident.

2. Annual turnover

12 (twelve) times the average monthly turnover for the 3 (three) months immediately before the date of the accident.

3. Rate of gross profit

The rate of gross profit earned on the turnover during the 3 (three) months immediately before the date of the accident.

4. Standard revenue

The revenue which would have been earned during the indemnity period if the average revenue during the 3 (three) months immediately before the date of the accident had been maintained.

5. Standard turnover

The turnover which would have been achieved during the indemnity period if the average turnover during the 3 (three) months immediately before the date of the accident had been maintained.

7. Overhauls

In determining the amount payable as indemnity under this section due allowance shall be made for the time spent on any overhauls, inspections or modifications carried out during any period of interruption of or interference with the business.

8. Reinstatement of sum insured

For the period following the occurrence of an accident up to the last day of any (annual) period of insurance the sum insured under this section shall be reinstated by payment of an additional premium on a pro rata basis, such additional premium to be calculated on that part of the aforesaid sum insured that corresponds to the amount paid as indemnity under this section. The sum insured shall, however, remain unaltered.

9. Return of premium

If the insured declares at the latest six months after the expiry of any (annual) period of insurance that the gross profit earned during the accounting period of 12 months most nearly concurrent with the aforesaid (annual) period of insurance, as certified by the insured's auditors, was less than the sum insured thereon, a pro rata return of premium, not exceeding one third of the premium paid on such sum insured for such (annual) period of insurance, shall be made in respect of the difference. If any accident has occurred giving rise to a claim under this section the aforesaid return shall be made in respect only of so much of the aforesaid difference as is not due to such accident.

10. Salvage sale clause

If the Insured shall hold a salvage sale during the indemnity period, item 1.1 under Gross profit shall, for the purposes of such claim, read as follows:

"in respect of reduction in turnover the sum produced by applying the rate of gross profit to the amount by which the turnover during the indemnity period (less the turnover for the period of the salvage sale) shall, in consequence of the damage, fall short of the standard turnover, from which sum shall be deducted the gross profit actually earned during the period of the salvage sale."

Specific Exceptions

The company shall not be liable for:

- loss arising within the no-claim period stated in the schedule of goods stored in the refrigeration chambers due to deviation from the prescribed refrigeration temperature, unless deterioration is caused by contamination as a result of leakage of refrigerant or by accidental freezing of goods or unless fresh goods that have not yet reached the prescribed refrigeration temperature are affected thereby; no-claim period is defined as the time period immediately following cessation of cooling during which, with the storage room left sealed, no deterioration would take place;
- loss to the goods stored arising as a result of shrinkage, inherent defects or diseases, natural deterioration or natural putrefaction;

The insured shall be obliged to furnish the company not later than 10 days after the close of each month either with copies of the aforesaid stock books or with a duly completed declaration showing the average quantity and value per day of the goods stored during the preceding month (monthly declaration).

The monthly declaration shall be based on the selling price obtainable for the goods.

Stock book copies and monthly declarations shall be regarded as forming an integral part of this policy.

The sum insured shall be reduced by any indemnity paid under this section for the remaining policy period unless it has been reinstated by payment of a pro rata additional premium, from the date of the insured loss or damage for the remaining portion of the (annual) period of insurance;

7. all claims shall be settled on the basis of the value stated in the monthly declaration immediately prior to the occurrence of the loss or the selling price that would have been obtainable, whichever is the lesser. When determining the indemnity the company shall take into consideration all circumstances that may influence the amount of indemnity, such as proceeds from a sale of goods as well as storage costs saved due to the termination of the storage.

If after the occurrence of a partial loss it is found that the last monthly declaration preceding the loss is less than the amount that ought to have been declared, then the amount which would have been recoverable by the insured shall be reduced in such proportion as the amount of the said last monthly declaration bears to the amount that ought to have been declared.
