- 3.4 We have the right at any time to relinquish the control of any defence, settlement or proceedings and to pay You the full amount of Our liability, or any lesser amount for which We consider that the claim can be settled, after which We will not have any further liability to You.

4. Settlement of Claims

- 4.1 We may decide whether We want to settle Your claim by repairing or replacing or reinstating or by paying the value in cash, less the value of the damaged property or a combination of these, but subject always to the amounts stated in this Policy less any First Amount Payable as detailed in the First Amount Payable Section of this Policy.
- 4.2 You have to sign a release in Our favour when/before We will settle a claim.

We care about the privacy, security and online safety of your personal information and we take our responsibility to protect this information very seriously. Below is a summary of how we deal with your personal information. For a more detailed explanation, please read our official Privacy Notice on our website.

- 5.2 Sharing your personal information: We will share your personal information with other insurers, industry bodies, credit agencies and service providers. This includes information about your insurance, claims and premium payments. We do this to assess claims, prevent fraud and to conduct surveys.

- 6.3 Should Your insurable interest in any item insured under this Policy change You must notify Us in writing of such change. If You do not We may reject Your claim relating to that item.

7. Prevention of Loss, Damage or Liability

If You take any deliberate risk that results in loss, damage, death, injury or liability that could give rise to a claim, You will forfeit the right to claim in terms of this Policy.

8. Rights of Others

This Policy gives rights to You only. Any extension of Our liability for the losses of any other person gives no right to that person to claim against Us. Only You may claim against this Policy. We will handle all claims on Your behalf. You may not cede Your rights. We may require that should any other person, via You, be entitled to receive any benefit in terms of this Policy that such other person cede their legal rights to Us to allow Us to use their name to recover from any person who caused the loss or damage.

9. Contribution

In the event that there is any other insurance policy or policies covering the property/item against loss or damage or liability insured in terms of this Policy, this Policy will only provide cover for a pro-rata portion of any claim that You may have.

10. Accuracy of Material Information

This Policy or any part of it can be declared of no effect by Us if any details which affect Our decision to provide cover in terms of this Policy or if any information that would affect Our decision to provide You with the cover in terms of this Policy is withheld from Us at any time. Should You fail to advise Us of any change of such details We shall have the right to cancel this Policy from the time that the change occurred.

11. Notice of Amendments to Cover

We may change Your Policy by giving You thirty (30) days notice. We may give notice by email, fax or by post to Your last known address. Any change which You make will be effective from the time and date agreed to.

All benefits afforded in terms of this Policy in respect of any claim shall be forfeited and this Policy may be avoided or cancelled at Our discretion from the date of any fraudulent conduct and all premiums paid in respect of such claim shall be forfeited and this policy may be avoided or cancelled from the date of the fraudulent conduct at Our discretion:

- 12.1 if any claim or part thereof under this Policy is in any way fraudulent or if fraudulent means or devices are used by You or anyone acting on Your behalf to obtain any benefit under this Policy, or if any Insured Event under this Policy is occasioned by Your intentional conduct or any person acting on Your behalf or with Your connivance; or
- 12.2 if any fraudulent information and/or document, whether created by You or any other party is provided to Us by You or anyone acting on Your behalf or with Your connivance in substantiation or support of any claim under this Policy and whether or not the claim itself is fraudulent; or
- 12.3 if the quantum of any claim is deliberately exaggerated by You or anyone acting on Your behalf or Your connivance, for any reason whatsoever, and whether the claim in itself is fraudulent.

Where any benefit under this Policy is forfeited in circumstances set out in this General Condition, You shall repay to Us all amounts which We may have previously settled in respect of all claims forfeited without prejudice to Our right to recover any other damages which We may have suffered as a result of the fraudulent conduct.

13. Prescription/Time bar

- 13.1 We are not liable after twelve (12) months have expired from the date of the event that gives rise to a claim, unless the claim is the subject of a pending court action between You and Us, or is a claim for sums for which You may become legally liable to a third party.
- 13.2 If We decline liability for a claim made in terms of this Policy or avoid Your Policy or You dispute the amount of any claim under this policy, representation may be made to Us within ninety (90) days of the date of Our letter of rejection or avoidance. Your representation must be submitted in writing to:

The Hollard Insurance Company Limited
PO Box 87419
Houghton
2041
Fax: (011) 351 8034

Alternatively, You may contact:

The Ombudsman for Short Term Insurance
PO Box 32334
Braamfontein
2017
Phone: (011) 726 8900
Fax: (011) 726 5501

- 13.3 If Your dispute is not satisfactorily resolved in this manner, You may institute legal action against Us for the enforcement of the claim by way of the service of summons against Us. Summons must be served on Us within one hundred and eighty (180) days of Our original letter of rejection or avoidance. If this is not done, Your claim will be unenforceable against Us and it will prescribe and We will no longer be liable for the claim.

14. Cancellation/Amendment to Cover

- 14.1 We may amend or cancel Your Policy by giving You thirty (30) days notice. We may give notice by email, fax or by post to Your last known address.
- 14.2 You may cancel this Policy at any time by giving written notice to Us. On the cancellation of an Annual Premium Facility Policy, You shall be entitled to a refund premium, less the premium at Our short period rates for the time the Policy has been enforce.
- 14.3 The Policy will be cancelled if premiums for two (2) consecutive periods of the Policy are not paid and We will make no further requests for premiums from You or Your paying agent.
- 14.4 If You put a stop payment on Your premium this policy will be cancelled from the date that the premium was due to be paid.

15. Notice, Instruction, Communication

You must communicate with Us or Your broker in writing. Any changes to Your Policy must be made whenever Your circumstances change. To ensure continuous cover, You need to notify Us before such changes occur. Should the changes be acceptable to Us, they will be effective on the terms from the date agreed upon, subject to Our conditions being complied with and receipt of the premium as agreed. We will confirm these changes by sending You an updated Certificate.

16. Reinstatement of Sum Insured

The Sum Insured amounts will not be reduced by the amount of any claim. We may nevertheless request You to pay an additional Premium having regard to the amount of the claim from the date of the loss or damage to the expiry of the Period of Insurance. This applies separately to each Section of this Policy.

17. Average

It is important that You insure all Your Insured Property for the correct value, which is the total, current replacement cost of Your Insured Property. We have stated this as the Sum Insured on the Certificate of the Section. If at the time of any loss or damage, the amount which is needed to replace all Your Insured Property with similar new property is more than the amount for which it is insured, You will be considered as if You are Your own insurance company for the difference and will bear a proportional share of the loss or damage accordingly. This General Condition applies separately to each item in the Certificate.

Example:

a)	Loss	R24 000
b)	Sum Insured	R75 000
c)	Replacement Value	R100 000
d)	Settlement	$R24\,000 \times 75\,000/100\,000$
		= R18 000 Less the appropriate First Amount Payable (i.e. 25% underinsured = 75% payment by Us)

18. Warranties/Notes/Endorsements

This insurance is subject to the warranties as stated in the "Warranties/Notes/Endorsements" Section on the Certificate.

- 18.1 A warranty is a statement or a condition which is an essential element of this contract and which affects the validity of the contract. All warranties must consequently be strictly observed and complied with by You.
- 18.2 If You state as fact that You have not submitted any claims in a specified period We use this information as a basis of Our agreement when insuring Your items. If Your statement is false then it is a breach of the warranty and We have the right to cancel Your Policy from the start and avoid any claims submitted.
- 18.3 If We require security measures to Your Vehicle or Dwelling the measures become a condition for theft cover in the applicable Section of the Policy.
- 18.4 If You are receiving a discount for precautionary measures taken on any Section of this Policy and these measures are not in place, maintained and/or operational at the time of the loss or damage for which a claim is submitted, We may reject Your claim.

19. Non-Compliance

If You fail to comply with all the terms, conditions or warranties or if You provide incorrect facts it may result in a claim being rejected or the Policy being cancelled.

20. First Amount payable by You

Every time You claim, You must pay the First Amount Payable as set out in the First Amount Payable Section.

22. Jurisdiction for Costs Incurred

22.1 This Policy shall be subject to the laws and statutes applicable in the Republic of South Africa and We shall only abide by judgements delivered or obtained in the first instance by a court of competent jurisdiction within the Republic of South Africa.

22.2 This Policy will not indemnify You in respect of costs and expenses of litigation recoverable by any claimant from You which are not incurred and recoverable within the Republic of South Africa.

23. Interest on Damages

No interest will be payable on any amount due by Us in terms of this Policy unless a South African Court of Law orders otherwise.

24. Repatriation

We do not compensate You for the costs to repatriate an insured Vehicle or other Insured Property which is damaged outside the Republic of South Africa, unless We specifically agree to do so in writing.

25. Contractual Liability

We will not compensate You for any loss arising from contractual liability unless legal liability would have existed in the absence of such contract or agreement.

26. Legal Liability

26.1 You can only be compensated under one of the Sections of this Policy, arising from the same event, relating to the same risk (property or liability).

26.2 You can only be compensated under one of the Sections of this Policy, arising from the same cause, relating to the same property.

- (b) Where any difference or dispute is in terms of paragraph (a) above to be referred to Arbitration the award of the Arbitrator(s) shall be final and binding and the making of such award shall be a condition precedent to any right of action against the Association under this Policy.

7. Limitation

In no case whatsoever shall the Association be liable under this Policy after the expiration of 12 (twelve) months from the happening of the event unless the claim is then the subject of Arbitration or court proceedings already instituted.

8. Average

If the property insured hereby shall at the commencement of any destruction or damage to such property be of greater value than the total value on risk appearing in the Certificate to this Policy in the case of the Motor Dealer or Fleet Owner then the insured shall be considered as being his own insurer for the difference and shall bear a rateable share of the loss accordingly.

9. Total Loss of Property

If any motor Vehicle or other Vehicle described in the definition of "property" above be treated as a total loss by the Association then all cover under this Policy shall terminate for such motor Vehicle or Vehicle from the date of such total loss and no refund of premium shall be payable to the insured.

10. Premium

Notwithstanding that the Period of Insurance stated in the Certificate to this Policy may be less than 12 (twelve) months the minimum premium payable by the insured shall be the full annual premium.

11. Validity

This Policy shall not be valid unless countersigned by the Nominated Insurer.

12. Alteration of Use of Property Insured

The Association shall not be liable for any loss of or damage to the property if at the time of such loss or damage the property was being used by the insured or any person acting with the knowledge of the insured in any manner which would ordinarily have required the property to be insured in a higher rated category than that used for determining the premium shown in the Certificate.

13. Territorial Limitation

The cover is restricted to property within the Republic of South Africa.

14. Cancellation

This Policy may be cancelled at any time at the request of the insured but in such cases no refund or pro-rata refund of premium shall become payable.

15. Fraud

If the claim be in any respect fraudulent and if any fraudulent means or devices be used by the insured or anyone acting on his behalf to obtain any benefit under this Policy and if any destruction or damage be occasioned by the wilful act and with any connivance of the insured, all benefit under this Policy shall be forfeited.

16. Misrepresentation

This Policy shall be void ab initio in the event of any material misrepresentation, misdescription or non-disclosure.

NUCLEAR/CHEMICAL/BIOLOGICAL TERRORISM EXCLUSION

It is agreed that, regardless of any contributory cause(s), this insurance does not cover any claim(s) in any way caused or contributed to by any act of terrorism involving the use or the threat thereof of any nuclear weapon or device or chemical or biological agent.

For the purpose of this exclusion an act of terrorism means an act, including but not limited to the use of force or violence and/or threat thereof, of any persons or group(s) of persons, whether acting alone or on behalf of or in connection with any organization(s) or government(s), committed for political, religious or ethnic purposes or reasons including the intention to influence any government and/or to put the public, or any Section of the public in fear.

If the insurers allege that by reason of this exclusion any claim is not covered by this insurance the burden of proving the contrary rests with the Insured.

How to resolve a complaint or dispute

Talk to Hollard first

If the Insured has a complaint, the first thing the Insured or their insurance broker should do is speak to Hollard. The latest Hollard complaints contact information can be found on the disclosure notice attached to the Policy Schedule.

If the complaint is related specifically to a claim, speak with the insurance intermediary or insurance broker to discuss the claim with the claims officer managing the claim.

If the staff member or claims officer is unable to resolve the matter, the Insured's insurance intermediary or insurance broker may speak to a manager at Hollard. The manager will usually provide the Insured with a response to the complaint within a reasonable period of time. If the timeframe is impractical for any reason, such as the need for more information or further investigation, Hollard will discuss alternative timeframes with the Insured. If the Insured is not satisfied with Hollard's response or Hollard cannot agree with the Insured on alternative timeframes, the Insured then moves on to step 2.

Seek a review

If the matter is still not resolved Hollard will refer the Insured, the insurance intermediary or insurance broker to the relevant dispute handling department or area who will conduct a review of the dispute and will usually provide the Insured with a response to the dispute within a reasonable period of time. If the timeframe is impractical, Hollard will discuss alternative timeframes with the Insured.

If the Insured is still not satisfied with Hollard's response to the dispute or Hollard cannot agree on alternative timeframes, the Insured then moves on to step 3.

Seek an independent review

The Insured is entitled to seek an external review of Hollard's decision. Hollard will provide the Insured with information about options available, including, if appropriate, referring the Insured to the external dispute resolution scheme administered by the Ombudsman for Short-term Insurance (OSTI).

The OSTI is an independent external dispute resolution office and its service is free to Hollard customers. The OSTI will advise the Insured if they can assist.

The OSTI can be contacted at:

The following General Exclusions are added:

6. Cyber exclusion

6.1 This Policy excludes any loss, damage, liability, claim, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with:

6.1.1 any loss of, alteration of, or damage to or a reduction in the functionality, availability or operation of a Computer System, unless subject to the provisions of point 6.2 below;

5.1.2 any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any Data, including any amount pertaining to the value of such Data, unless subject to the provisions of point 6.2 below.

6.2 Subject to the other terms, conditions and exclusions contained in this Policy, this Policy will cover:

6.2.1 loss, damage, liability, cost or expense directly caused by, resulting from, or arising out of physical loss and/or physical damage to tangible property insured under this Policy and any Time Element Loss directly resulting from physical loss and/or physical damage;

6.2.2 physical loss and/or physical damage to Data Processing Media for which the basis of valuation shall be the cost of the blank Data Processing Media plus the costs of repairing, replacing or restoring the Data from back-up or from originals of a previous generation (these costs will not include research and engineering). If the media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank Data Processing Media (however, this Policy does not cover any amount pertaining to the value of Data to the Insured or any other party, even if such Data cannot be recreated, gathered or assembled);

where such physical loss and/or physical damage is directly occasioned by otherwise covered perils under this Policy and not otherwise excluded under this Policy.

Meaning of words:

1. "**Computer System**" means any computer, hardware, software communications system, electronic device, (including but not limited to, smart phone, laptop, tablet, wearable device), server, cloud or microcontroller including any similar system or any configuration of the aforementioned and including any associated input, output or data storage device, networking equipment or back up facility.
2. "**Data**" means information facts, concepts, code or any other information of any kind that is recorded or transmitted in a form to be used, accessed, processed, transmitted or stored by a Computer System.
3. "**Time Element Loss**" means business interruption, contingent business interruption or any other consequential losses.
4. "**Data Processing Media**" means any property insured by this insurance agreement on which Data can be stored but not the Data itself.

7. Damage or loss caused directly or indirectly by infectious or contagious disease

Notwithstanding any specific provision of a specific section of this policy including any exclusion, exception, insured peril, extension or other provision not mentioned herein which specifically overrides a general exclusion, this policy does not cover death, injury, sickness, loss, damage/s (physical or financial), cost or expense of any type whatsoever, legal liability, or any consequential loss directly or indirectly caused by, arising out of, resulting from or in consequence of:

1. any infectious or contagious disease (of whatsoever nature or cause);
2. any indication, fears or threat of a possible infectious or contagious disease (of whatsoever nature or cause);

irrespective:

- i) of where in the world such disease may exist or be feared to exist;
- ii) of whether or not a declaration by a local, regional, international or governmental authority including but not limited to the President of South Africa that an infectious or contagious disease exists locally or in any area or nationally or constitutes or has given rise to a national state of disaster or emergency.

8. Electricity Grid Failure exclusion

Notwithstanding any provision of any section of this Policy including any Exclusion, Condition, Exception, Insured Peril, Extension or other provision not mentioned herein, this Policy does not cover any loss, damage/s (physical or financial), cost or expense of any type whatsoever, legal liability, or any consequential loss directly or indirectly caused by, attributable to, arising out of, resulting from, following or in any way in consequence of or in connection with any Electricity Grid Failure (as defined below).

Electricity Grid Failure is an interruption to or suspension of electricity supply, in any manner, from whatsoever source, and for any reason (including damage and any inability and/or failure on the part of the supplier) which affects an entire municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time, including any interruption, power surge or suspension at the reconnection or reinstatement of electricity supply.

This exclusion also applies to consequential losses in respect of any public utilities that are affected by Electricity Grid Failure including, but not limited to, the disruption of water, telecommunications and sewage systems as well as the deterioration of stock, food or other items.

This exclusion does not apply to Loadshedding (defined below) which remains covered subject to the remaining terms and conditions set out in the policy.

Loadshedding is the intentional, total or partial, withholding of electricity supply (from any source) by any party other than the insured implemented in phases which do not affect a municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time.

The theft covers of the policy have security requirements, such as alarm systems. It must be noted that there is no cover in place if these requirements are not met in any way, whether directly or indirectly due to Electricity Grid Failure. The Provision in the alarm warranty that states "cover will continue to be applicable whilst the alarm system is not operative due to a failure of the public supply of electricity at the terminal ends of the supply authority's service feeders and that such failure is not due to any act or omission of the Insured." is deleted should such unavailability of electricity be as a result of Electricity Grid Failure.

The following General Conditions are amended to read:

1. Consent to disclosure of private information

- a. The Insured acknowledges that the sharing of information for underwriting and claims purposes is in the public interest, as it will enable insurers to underwrite policies, assess risks fairly, to reduce the incidence of fraudulent claims with a view to limiting premiums and to conduct surveys.
