THE PROCESS FOLLOWING A MOTOR ACCIDENT

1. GET TO SAFETY FIRST. Move yourself, your passengers, and your vehicle away from moving traffic where possible. Secure your personal belongings.

2. CALL EMERGENCY SERVICES (10177) if anyone is injured.

3. CONTACT BARKER (0861 BARKER (0861 227 537)). If you are unsure about anything at the scene, call us. That is what we are here for. Please ensure you arrange the towing, if required, through our Barker Assist line.

4. GATHER EVIDENCE IMMEDIATELY. Photograph the scene, all vehicles involved, registration numbers, road condition and any visible injuries. If there are witnesses, take their contact details.

5. EXCHANGE DETAILS WITH THE OTHER DRIVER/S. You need their name, contact number, registration number, and insurance company details.

6. KEEP A RECORD OF EVERYTHING. Note the time, the location, exactly what happened, and every person you spoke to. Hold onto all communication with any other parties involved.

7. DO NOT ADMIT OR DENY FAULT. Even informally, even if you feel partially responsible. Let the process determine liability.

8. DO NOT NEGOTIATE YOUR EXCESS WITH THE OTHER DRIVER. Any arrangement made at the scene creates complication for your claim.

9. REPORT TO THE SAPS WITHIN 24 HOURS if a third-party vehicle or property is involved, if your vehicle was stolen, or if you were hijacked. Once the report is lodged, photograph it. You will need that reference for your claim.

10. FOR MINOR INCIDENTS WITH NO INJURIES, YOU CAN REPORT VIA THE E-NATIS WEBSITE. You will receive a confirmation email from e-Natis with your crash report and reference number. Forward that directly to our office, and we will take from there. www.natis.gov.za

If your vehicle has a **BEAME DEVICE OR BARKER MX3 TRACKER, REPORT A THEFT OR HIJACKING THROUGH THE APP OR ON 0860 232 631** as soon as it is safe to do so. Both apps include an alert button for exactly these moments. Download the Beame app: iOS/Google Play. If any other tracking company device is installed, please report it to them straight away.
